

CORE COMPETENCIES

SOP preparation	Caliber LIMS	Caliber DMS	Caliber QAMS
Data Review	Documentation	MiniTab	Stability
Microbiological Techniques	Western Blotting	Iso-Electric Focusing	SDS- Page

PROFESSIONAL EXPERIENCE

Unichem Laboratories Ltd – Quality Control Officer 02/2023-09/2024

Working in the documentation section of Quality Control Department.

- Preparation and revision of SOPs in Caliber DMS.
- Master preparation in Caliber LIMS and other LIMS modules.
- Stability sample charging and stability related activities including Protocol preparation and Stability summary reports.
- Handling of Documentation cell.
- Preparation of Analytical method validation, Analytical method transfer Protocols and Reports.
- Change control related activities.
- Understanding of CSV related activities.

Unichem Laboratories Ltd – Research Associate 06/2022-02/2023

Working in the documentation cell of Research and development department of Bioscience Centre.

- Preparation, review and revision of SOPs, STPs.
- Preparation of COA and SOA.
- Review of LNBS, Development report, Validation report, Validation protocol, Process protocol.
- Preparation of TDS, Issuance of TDS and BPR.
- Handling of documentation cell.

Unichem Laboratories Ltd – Research Associate Trainee 12/2021-06/2022

Working in the analytical research and development department of bioscience Centre.

- Extensive practical experience in a range of analytical techniques, including SDS-PAGE, isoelectric focusing (IEF), western blotting, bacterial endotoxin testing, and
- Microbiological methods,
- Assessments of plasmid stability and purity.

EDUCATION

Master of science – Biotechnology (2021)

Goa University - Goa

First Class

Bachelor of science – Biotechnology (2019)

St. Xaviers College - Goa

Distinction

NATIONAL SEMINARS ATTENDED

- Attended two-day Genomics India 2019 conference, ITC Gardenia, Bengaluru. (Jan 2019).
- Attended a national level seminar on Microbial Bioremediation: Novel approaches and Trends, St. Xavier's college Mapusa-Goa. (Jan 2019).
- Attended a National level Seminar on advances in Biotechnology, St. Xavier's college Mapusa Goa. (Jan 2017).
