- ✉ appuns138@gmail.com
- 📍 Bangalore, Karnataka

## PROFILE SUMMARY

Dedicated and Skilled life science student with proficiency in technical skills like PCR and Western blot etc., with good communication skills and knowledge in solving biological problems.

## TECHNICAL SKILLS

- DNA Isolation
- SDS-PAGE
- Nanodrop
- Affinity Chromatography
- Size Exclusion Chromatography
- Crystallization
- Droplet Digital PCR
- Qubit Fluorometer

## WORK EXPERIENCE

### Immuneel therapeutics private limited, Bangalore

QC Trainee - Molecular Biology Oct 2024-Present

- CAR T Cell Therapy

### National Institute of Mental health and Neuroscience, Bangalore.

Dissertation Research Trainee Mar 2024-Jul 2024

- Expression, Purification and Crystallization of Kelch domain of Human Keap1 Protein.

## AREA OF INTEREST

- Molecular biology
- Biochemistry
- Protein biology
- Drug discovery
- Bioinformatics

## EDUCATION

### M.Sc in Biotechnology

University of Mysore Dec 2022- Aug 2024

Grade - 7.67

### B.Sc in Biotechnology

Smt.Veeramma Gangasiri Degree College for women, Gulbarga. Jul 2019-Oct 2022

Grade - 86.90%

## LANGUAGES

- English
- Kannada
- Hindi
- Telugu
