PROFESSIONAL PROFILE

Senior Microbiology professional with **20+ years of experience** across **pharmaceutical support laboratories, sterile processing units, water quality systems, and regulated clinical laboratories**. Strong expertise in **QC/QA microbiology, sterility testing, environmental monitoring, SOP compliance, GLP, and documentation control**. Proven ability to lead laboratory teams, maintain audit-ready systems, and ensure regulatory compliance in GMP-aligned environments.

CORE COMPETENCIES (INDUSTRY-FOCUSED)

QC / QA Microbiology

- Sterility Testing & Sterility Assurance
- Environmental Monitoring (Air, Surface, Water)
- Microbial Load & Contamination Control
- Antimicrobial Susceptibility Testing
- Microbiological Trend Analysis

Compliance & Documentation

- Good Laboratory Practices (GLP)
- Good Documentation Practices (GDP)
- SOP Writing, Review & Implementation
- Deviation Handling & CAPA Support
- Audit Preparation & Compliance Reporting

Laboratory Operations

- Water Microbiology & RO Systems
- Equipment Validation & Troubleshooting
- Media Preparation & Quality Control
- LIMS & Laboratory Documentation Systems

Molecular & Applied Microbiology

- PCR Analysis & Molecular Methods
- DNA & RNA Extraction
- Applied & Industrial Microbiology

Leadership

- Laboratory Team Supervision
 - Staff Training & Competency Assessment
 - Training Manual & Protocol Development
-

PROFESSIONAL EXPERIENCE

Laboratory Director (Contract)

Anna Gowri Medical College & Hospital, Andhra Pradesh

 *January 2024 – August 2024*

- Ensured **GLP-compliant laboratory operations** with strict documentation control.
 - Implemented SOPs for microbiology testing, sterility assurance, and equipment handling.
 - Supervised environmental monitoring, sterility verification, and contamination control.
 - Maintained audit-ready records and compliance documentation.
 - Led staff training on laboratory safety, quality procedures, and workflow efficiency.
-

Microbiologist (Lab In-Charge)

Aravind Eye Hospital & Postgraduate Institute of Ophthalmology, India

 *September 2012 – December 2023*

- Managed microbiology laboratory operations supporting **sterile clinical procedures**.
 - Conducted environmental monitoring and sterility testing aligned with quality standards.
 - Implemented **IQC, EQAS**, and documentation systems.
 - Supported infection control and contamination prevention programs.
 - Participated in process improvement initiatives and laboratory audits.
-

Microbiologist – Quality Controller

Packed Drinking Water Manufacturing Unit, Cuddalore, India

 *January 2005 – June 2005*

- Performed **water quality analysis** including microbial load and pH testing.
 - Maintained **RO systems** and monitored sanitation of tanks, pipelines, and valves.
 - Prepared quality reports and ensured hygiene compliance.
 - Supported routine equipment maintenance and validation activities.
-

EDUCATION & TECHNICAL QUALIFICATIONS

- **Ph.D. – Medical Microbiology**
 - **M.Phil. – Biotechnology**
 - **M.Sc. – Microbiology**
 - **PGDMLT / DMLT**
 - Certified Training – Research Methodology & Scientific Writing
-

ADDITIONAL VALUE TO INDUSTRY

- Strong understanding of **audit expectations**
 - Experience working with **cross-functional clinical and technical teams**
 - Ability to translate **regulatory requirements into practical lab processes**
-
