## Education

- **Nanded Education Society's Science College Nanded.**  
MSc .Biotechnology  
74.08%
- **Pratibha Niketan Mahavidyalaya.**  
BSc in Chemistry Microbiology Botany  
62.64%
- **Science College. Nanded.**  
Higher Secondary Education  
58.92%

---

## Skills

- Strong communication and interpersonal skills.
- Responsibel person
- Positive attitude
- Ability to work in team
- Comfortable use of essential Laboratory Equipments.
- Computer skills: Ms-word, Ms-powerpoint, Ms-Excel.

---

## Projects

- **Production of Red wine from Grapes and jamun.**

It can be concluded from present investigation that blending of grape juice with jamun juice before fermentation helps in reduction of astringency with improvements in taste,body, color. And aroma of final wine.
