CAREER OBJECTIVE

Motivated and detail-oriented M.Sc. Chemistry graduate seeking an entry-level position in Pharmaceutical Quality Control or Research & Development, where I can apply strong academic fundamentals, gain hands-on industrial exposure, and contribute to quality-driven and compliant outcomes.

EDUCATION

M.Sc. Chemistry*	Veer Bahadur Singh Purvanchal University - UP	2025	77%
B.Sc.	Veer Bahadur Singh Purvanchal University - UP	2023	68%
HSC (12 th)	U.P. Board	2020	75%
SSC (10 th)	U.P. Board	2018	76%

*CORE SUBJECT KNOWLEDGE

Analytical Chemistry	Organic Chemistry	Organic Synthesis	Medicinal Chemistry
Spectroscopy	Inorganic Chemistry	Physical Chemistry	Research Methodology

TECHNICAL & LABORATORY SKILLS

- Basic laboratory techniques: titration, weighing, solution and reagent preparation
- Handling of common laboratory glassware and basic analytical instruments
- Academic-level exposure to analytical techniques
- Accurate data recording and laboratory documentation
- Basic computer proficiency: MS Word, Excel, PowerPoint

ACADEMIC & PRACTICAL EXPERIENCE

- Performed laboratory experiments as part of M.Sc. Chemistry curriculum
- Conducted analytical testing and chemical synthesis with result interpretation
- Maintained laboratory notebooks and experimental records
- Followed standard laboratory safety practices and procedures

SOFT SKILLS

- Clear and effective communication in laboratory and team settings
- High level of precision and accuracy in laboratory work
- Works effectively in team-based laboratory environments
- Adaptable to new techniques, procedures, and work practices
- Strong commitment to accurate documentation and data integrity
- Willingness to learn and comply with pharmaceutical quality and regulatory practices
