Personal details

-  Rahul Kumar
-  rahulgupta867795@gmail.com
-  8579896141
-  VILLAGE GIDHA, PO SOUTH
CHHAPRA BAHAS PS
SUGAULI DIST EAST
CHAMPARAN BIHAR
845435 Motihari
-  August 15, 2004

Skills

- MS Word
- Excel
- PowerPoint
- basic bioinformatics tools
- AI-assisted research
- cybersecurity awareness

Languages

- Hindi
- English

Profile

"To obtain an entry-level opportunity or internship in Microbiology, Industrial Microbiology, or Life Sciences where I can apply my academic knowledge, laboratory skills, and research training. I am passionate about contributing to scientific innovations in food, dairy, and meat industries through hands-on laboratory work, teamwork, and problem-solving."

Education

B.Sc. Vocational Industrial Microbiology 2025
M.S. College, Motihari, Motihari

"Expected Final Result: Last week of August 2025"

Intermediate (12th) 2022
M.S. College, Motihari, Motihari
68%

Matriculation (10th) 2020
Zila School, Motihari, Motihari
72.6%

Working experience

Fresher

Workshops & Certifications

- National Conference on Drug Discovery** Apr 2025
- Hands-on Training in Bioinformatics** Feb 2023
- CRISPR: A Molecular Magician** Aug 2024
- Lecture on Women's Cancer Awareness** Apr 2025
- Healthy Ageing Workshop** Feb 2024
- Cybersecurity Awareness Workshop** Jan 2025

Laboratory Skills

Microbiology Techniques: Aseptic techniques, microbial culture & staining (Gram, Acid-fast), biochemical testing, fermentation methods
Dairy & Food Microbiology: Milk quality analysis, yogurt & curd preparation, cheese processing, dairy product safety testing
Meat & Food Processing: Microbial testing of meat, preservation methods, food quality & safety analysis, shelf-life evaluation
Molecular Biology & Biotechnology: DNA extraction, PCR, electrophoresis, enzyme assays, chromatography (TLC, Paper, GLC)
Instrumentation Skills: Autoclave, Laminar Flow, Incubator, Colorimeter,
