**Talluri Durga Vara Prasad**  
**Assistant Manager**

Phone: +91 9492240500  
Email: tdurgavaraprasad1982@gmail.com

## OBJECTIVE:

To work in an organization where I can contribute my skills and apply concepts learnt over the years of education, where I will be able to utilize my skills and knowledge, so that I can perform with full commitment towards reaching the goal of the organization.

## ACADEMIC PROFILE:

- Diploma (Electrical and Electronics Engineering) from Govt. Polytechnic, Visakhapatnam.
- I.T.I (Electrician) from Priyadarshini ITI, Tanuku.
- SSC from Z.P.High School, Tanuku.

## PROFESSIONAL EXPERIENCE:

**Experience: 16 years +**

- Working as **Assistant manager** in **Hetero Drugs Ltd.**, Nakkapalli, Visakhapatnam from November 2009 to till date.
- Worked as an **Electrician** in **Andhra Sugars Pvt., Ltd.** Bhimadolu from 2007 to 2009.
- Worked as an **Electrician** in **Hetero Labs Ltd.**, Khazipalli, Hyderabad from 2005 to 2007.

## JOB RESPONSIBILITIES:

- 1) Power and Control Cables laying for LT & HT lugging and crimping and termination from 1.5 Sq.mm to 400 Sq.mm.
- 2) Operation and Maintenance of D.G. Set's from 62.5 KVA to 250 KVA.
- 3) Detailed Studying of project scope of work to understand the works properly.
- 4) Execution of works like different type's cable tray installation and conduit works as per the drawings.
- 5) Preparation of Cable pulling schedule against the IFC cable schedule and prepare materials for pulling of cables.
- 6) Take caring of glanding and termination in both electrical and instrument panel and JB's.
- 7) Preparation of glanding works schedule and allocate the group to do the works.
- 8) Installation of plant earthing works and involved in testing of earthing works.

- 9) 3 phase FLP motors BBL & CGL complete 1.0 HP to 250 HP motors servicing.
- 10) Installation of building services like lighting fixtures, Small power sockets, etc.,
- 11) Installation of Transformers Oil type/Dry type.
- 12) Preparing cable pulling log sheets and updating with the project team.
- 13) Actively participated in preparation of weekly/monthly plan activities.
- 14) Trouble shooting and analyzing the failures of all types of static, rotating and other utilities.
- 15) Continuous Monitoring and control of all electrical quantities.
- 16) Taking Emergency Shutdown of Plant in Emergency situations to safe guard men and Electrical Equipments.

### **EXPERIENCE SUMMARY:**

- 1) Trouble Shooting of All Electrical Equipments.
- 2) Trouble shooting of water plant electrical and chillers problems.
- 3) Taking preventive action for chillers and running hours and power consumption status updating.
- 4) Taking production blocks electrical load lists checking of relay status.
- 5) Control Panel operation including Synchronization.
- 6) Monitoring & maintaining logs for Electrical parameters.
- 7) Capable of Solving Problems in VFD'S Up to HMI (Human Machine Interface).
- 8) Trouble shooting of DOL and STAR-DELTA starters.
- 9) Installation and Preventive maintenance of power Transformers, Lighting and distribution Transformers, Circuit breaker, Relays, power and motor control centers , LV and HV switchgears etc.,
- 10) Yearly panel maintenance and thermography.
- 11) Testing and Trouble shooting of all electrical power and control circuits.
- 12) Involved in the shutdown activities of various units in plant.
- 13) Explosion proof installations, switchgear panels, Low Tension and high Tension induction motors.
- 14) Installations of Battery chargers & UPS systems.
- 15) Erection and testing of MCC and PCC Panels.
- 16) L.T motors erection and installation of local control panels.
- 17) Erection testing and commissioning of LT Switchgear Panels, Power control centers & Motor control centers.
- 18) Testing and Trouble shooting of all electrical power and control circuits
- 19) Installation of electrical equipment related to Hazardous area Explosion proof installations, Low Tension and high Tension induction motors.

## **STRENGTHS and CAPABILITIES:**

1. Can be able to work in any type of industries.
2. Good team player.
3. Strong analytical skills and practical correlation of problems.
4. Strong Ability to work on multiple works simultaneously.

## **PERSONAL DETAILS:**

Name : T.D.V.Prasad  
Father Name : T.Baburao  
Date of Birth : 19-12-1982  
Languages Known : English & Telugu  
Nationality : Indian  
Permanent Address : T.Durga Vara Prasad,  
S/o Baburao, C1-102,  
Andhra Sugars Colony,  
Venkatarayapuram, Tanuku,  
West Godavari, Andhra Pradesh.  
Present Address : T.Durga Vara Prasad,  
Onesone Group House,  
Flat No:6, P.S.Rao Nagar,  
Payakaraopeta-531126,  
Visakhapatnam, Andhra Pradesh.

## **DECLARATION:**

I hereby declare that the Information furnished above is true to the best of my knowledge.

Yours sincerely,

T.D.V.PRASAD.
