SUMMARY

I am a motivated and detail-oriented front-end developer with over a year Internship of experience building responsive and visually appealing websites. I am proficient in HTML, CSS, JavaScript, and popular frameworks like React. My passion lies in creating seamless user experiences while collaborating effectively with design and back-end teams. I am eager to expand my skillset and contribute to innovative projects in the web development space.

EXPERIENCE

Front-End Developer (Internship) 04/2024-03/2025
