Mobile No. : 9309860482

---

**Career Objective :** To work passionately and honestly with continuous learning process where I can utilize my Microbiological skills and practical Knowledge and keep myself innovative with changing scenario which offers professional and personal growth.

**Experience:** 1) 01 Year 06 months as Junior executive in Recipharm Pharma Services Pvt Ltd., Bangalore, joined on 26 June 2023 to till date.

2) Unichem Laboratories Roha, Raigad, As a trainee Microbiologist from 5 Sept. 2022 to 14 March 2023.

### **Skills:**

- Environmental Monitoring, Settle plate, Air quality, Surface monitoring.
- Sampling and Analysis of water samples and preparation of water reports.
- Good at laboratory Practices, equipment handling , and calibration of such instruments (UV-Spectrophotometer, Laminar air flow, Biosafety Cabinet, weighing balance, Hot air oven, Incubator, Pipette and Filter unit, PH meter, Conductometer, Water activity, Colony Counter etc.)
- AET-Antimicrobial Effectiveness Test (PET-Preservative Effectiveness Test).
- Maintenance of GDP and GLP in Laboratory and handling of LIMS.
- Preparation and filtration of Routine disinfectant and LIMS updation
- Documenting daily Laboratory activities daily log books and analytical reports and ensuring the attachment of Microbiology raw data sheet to chemical reports and LIMS
- Coordinating with the Manager and other team members in organizing workloads to ensure timely release of all testing.

### **Academics Profile :**

Course	University/Board	Name of the Institute	Year of Passing	Result
M.SC.(Microbiology)	SRTMUN NANDED	Dayanand Science College Latur	2022	77.32%
B.SC.	SRTMUN NANDED	Dayanand Science College Latur	2019	7.52
H.SC.	LATUR	Dr. C.S. Jr. College Latur	2015	55.54%
SSC	LATUR	Lal bahadurshastri high school Latur.	2013	76.20%

## **Projects:-**

- Isolation and identification of Dental caries Causing Microorganisms.
- Isolation and identification of Microorganisms found on street food in Latur city.

## **Technical Skills:-**

- Antimicrobial effectiveness test( PET- preservative effectiveness test)
- Water activity
- handling of microbial cultures.
- Environment monitoring of clean rooms.

## **Personal Information:-**

Name: Jayant Ashokrao Dhokle

Date of Birth : 15/06/1997

Languages: English, Hindi , Marathi.

Hobbies : Travelling, Playing Cricket, Watching Meaningful Movies

Permanent Address: Dadoji konddev Nagar Near Veerbhadreshwar Mandir, Ring Road Latur.

Contact No.: +919309860482

## **Declaration:-**

I am Jayant Ashokrao Dhokle hereby declare that the information provided above is true to the best of my Knowledge.

Place: Bangalore

Date:
